

REMARKS

The notice of non-compliant amendments states that the identifier for claims 1, 13 and 17 need to be changed to read "currently amended" and that new claims should not be underlined.

Only the corrected section of the non-compliant amendment is required in response to the Notice.

Claims 1, 13, 17 and 30 to 32 have been amended to be made compliant with 37 CFR 1.121. Since the whole corrected section is required, amendments to the other claims submitted in the March 28, 2007 amendment are shown in marked-up format.

The Examiner is requested to consider this new set of amended claims along with the remarks and new Figure 6 that were submitted on March 28, 2007.

In the event that there are any questions concerning this amendment or the application in general, the Examiner is respectfully urged to telephone the undersigned so that prosecution of this application may be expedited.

No additional fees are believed to be necessitated by this amendment. However, should this be an error, authorization is hereby given to charge deposit account 19-5113 for any underpayment or to credit any overpayment.

Respectfully submitted,

UNIVERSITE LAVAL
